**President’s Notes**

By Mary Vander Veen

How nice to have so many members attend the International Dinner, giving everyone the opportunity to view the new facilities at the Government Center, view the Cultural Arts entries, and see this year’s raffle quilt. Winnie Shelton and Karen Walter have done it again by creating “Strip Search.” Just imagine the publicity we can generate with that name! Thanks to both of them for what they do for us. Now, it’s up to all of us to do our part and sell the quilt raffle tickets!

Eileen Guthrie, Barb Papcke, Emma Peterson, and I attended the Southeast District Meeting on April 23 in Fond du Lac County. The meeting was held at LaClare Goat Farm, where they milk 400 goats. The farm is located in Pipe, at the intersection of Hwy 151 and County Hwy HH. The meeting was held in their banquet room that is attached to a shop where they sell cheese, beer, wine, gifts, and serve meals. The room had a large window in the end where you could view the goats at milking time. Our speaker was Karen Kelley, a Fond du Lac County HCE Member who along with her family has created Kelley Country Creamery, a farmstead creamery where they turn their farm fresh milk into premium farmstead ice cream. They have developed over 200 flavors of ice cream that they serve in an ice cream parlor they built on their farm. The family has appeared on Good Morning America where they were voted as making one of the best ice creams sold in America. Kelley’s is located on Hwy B off of Hwy 41, west of Eden. Both LaClare and Kelley’s are examples of farm families that have added value to what they produce by marketing it directly to the public. The district meeting included reports from the nine county presidents updating us on what their county is doing.

The fair seems a long way off, but it will be here before we know it. The hostess schedule is on page 11 of this newsletter. I hope you will be able to sign up for a time slot; just give me a call or email and I’ll sign you up. We’ll be celebrating the 100th Anniversary of 4-H!

Have a great summer, if it ever gets here.

**O’wl Always be an HCE Member!**

By Barb Papcke, Family & Community Life

All Walworth County HCE members are invited to the WAHCE Annual Conference on September 8, 9, and 10, 2014. Northwest District welcomes all HCE members to Cable, Wisconsin at the beautiful Lakewood’s Resort. Southeast District is taking reservations for the Van Galder Bus that will be taking HCE members to the conference. The bus will leave from Janesville on September 7, with a stop in Elkhorn for all of the HCE members that are planning on going to conference. Cost for HCE members is $80.00. A lot of fun activities and workshops are planned inside and out. The Update should be out soon with all of the information about the conference. The registration information is also included in this newsletter on pages 13-15. Why not take a look at it and plan on attending some of the workshops? The theme this year is “O’wl Always be an HCE Member!” If you are interested in going on the bus, Mary Vander Veen has the sign-up sheet for Walworth County.
Program Coordinator’s Report
By Eileen Guthrie, Program Coordinator

Here it is May already, and at this time as I write this article, the peas are planted, but everything else is still in the bags; with a bit of luck, planting will get underway this week. This spring is one we will talk about as we reminisce about the winter of 2014. Wonder what Mother Nature has in store for us this summer?

Have you been using your microwave to come up with new creations after our lesson on Microwave Magic? Have you been cooking with bison after going to the lesson on Cooking with Bison? Did you have fewer problems with insects after attending Chrissy’s class on Pests in your Home? Did you attend Smart Gardening Day? There was a great assortment of classes taught, and most had materials available that can be used at one of your club meetings. Did you learn a lot about Today’s Pork, like how we no longer have to cook it so long and that it can be a little pink when we serve it? I think we all learned a lot about driving in a roundabout. I am sorry that we could not get a brochure for all members to have one of their own, but it was thoroughly explained, along with the film to watch for ourselves.

Were you at the International Dinner? Hannah Earle did a great presentation on her experiences while studying in India. Thank you, Hi-Lo’s, for the excellent menu you chose for our International Dinner; I know that is a big job. Last, a big thank you goes to DuAnn Webb for preparing the booklet for us to read at our own conveniences, and thank you to Brittany for the graphic arts you added to make the booklet so attractive.

Our scholarship winner Allyson Jaeck and her parents were present to receive the $1,000 scholarship at the International Dinner. Thanks goes out to the committee who worked so hard to write the new form and then pick a winner.

If you ever have the opportunity to attend one of Jenny’s classes she presents at area libraries, be sure to attend. I attended the class she presented on Sensational Soups. I thoroughly enjoyed the class and got some new ideas for making soup. Jenny was very thorough with explanations, served four different soups, and was extremely entertaining. So watch for classes that are being offered, and there may be one that will strike your fancy.

Have you been giving anyone our little handout booklet telling about HCE? They are informative and very helpful to tell a friend, neighbor, or even a family member about HCE. Remember, membership is up to all of us, and we all know that we need some new members, or maybe a former member might like to rejoin us. If you have some ideas that we can use, please share them with the Executive Board, or please call the office with your ideas.

Remember, the Mystery Tour is July 9. See more about it in this newsletter on pages 7 and 9.

Enjoy the summer!

Wisconsin Bookworms™
By Emma Peterson

In Walworth County, our 15th year of reading to our 135 students at 7 sites is coming to an end. Thanks to all my readers for the 2013-14 year.

On May 15th will be the County Coordinators Wisline for Wisconsin Bookworms™. We will be ordering books for the 2014-15 school year soon after the Wisline.

I would like to THANK all our county clubs and individuals who donated to our Wisconsin Bookworms™ raffle at Smart Gardening Day.
The recipient of the 2014 Walworth County HCE $1,000 Scholarship is Allyson Jaeck, a senior at East Troy High School. Allyson has had a very active high school career. As a freshman she received “Freshman of the Year” for FFA and was “Manager of the Year” for football. She is currently President of the Senior Class, Senior Class Representative to the Student Cabinet, Prom Committee Chair, and has served on Farm City Week and Blood Drive Committees. She has advanced to the FFA Sectional Speaking Contest and has applied for her State FFA Degree.

Her activities in the community include serving on a committee for the Animal Shelter Drive and the Food Drive Committee. She is a 4-H Member and is a Junior Leader in the Rabbit and Vet Science projects. Last summer, she spent 2 months in Africa where she volunteered at orphanages, AIDS Clinics, and local schools. Allyson plans to attend UW-Platteville after graduation, where she will major in Animal Science and minor in Agribusiness. With her degree, Allyson plans on starting her own water buffalo farm in the East Troy area. I’m sure you agree she is a worthy recipient, and we wish her much success in the future.

2014 Walworth County Fair Theme
By Mary Vander Veen

“We’re still having fun, 4-H is still the One!” That’s an appropriate theme for this year’s fair since it was in Walworth County that the first 4-H club in Wisconsin was organized 100 years ago. If you have ever traveled east between Walworth and Hwy 120 that runs south out of Lake Geneva, you may have noticed the State Historical Marker that tells about the first club in Wisconsin. It reads:

Linn Junior Farmers Club organized the first 4-H Club in Wisconsin. Mrs. Mary Hatch, local community leader, and Thomas L. Bewick, newly appointed State Boys and Girls Club Leader at the University of Wisconsin, organized a club here on the Hatch Farm October 3, 1914.

The club was started five months after Congress passed the Smith-Leaver Act, which created the Cooperative Extension Service whereby federal, state, and county government participated in the county agent system.

Four boys and three girls attended the first meeting of the club. Membership grew to 21 during the year, with projects in livestock, crops, gardening, canning, cooking, and sewing. During the period, similar boys and girls clubs were organized in other states. The projects with appeal to rural and urban children were increased. By 1970, four million urban and rural members were participating annually in the nation, and 4-H had spread to 84 countries in the world.

The theme of the exhibit area in the Log Cabin will feature a display on the 4-H anniversary. Ginny Hall and Mary Kaye Merwin are chairing the celebration and will bring in a display. Barb Papcke is signing up demonstrators. We hope to see you there!

Allyson Jaeck Receives WCHCE Scholarship

Remembering Bea Peyer

Bea Peyer, a member of Hi-Lo’s passed away in March. Bea had a talent for poetry; she frequently submitted poems in the Cultural Arts contest and was often a winner in the state contest. Our sympathy goes to Bea’s family. We will all miss her.
We had a sewing meeting on Tuesday, May 13 at Millard Church starting at 9 a.m. We worked on quilts, hats, comfort pillows, and potholders to sell at the fair.

If you attended the International Meeting, you saw the portable high chairs that we presented to Jenny Wehmeier for the young parenting classes that she has been teaching at Delavan, and we also presented some fabric books for some of her graduating students.

Jenny told us about a phone message she received from a chemo patient from Waukesha Hospital. She shared how emotional the woman’s message was.

It is interesting when I get a call from one hospital looking for comfort pillows, I know I am going to hear from the other two hospitals soon after, often times the next day. In March, I made deliveries of 20 comfort pillows to Burlington Hospital, 74 hats to Waukesha Hospital, and 62 hats to Lakeland Hospital. I had a phone call from an individual patient from Lake Como asking for a variety of hats, so I packaged 13 hats for her and received an oral thank you on the phone from that woman.

I also received this note from Donna Stearns, the Breast Care Coordinator of ProHealth Regional Cancer Center:

Dear HCE sewers,

Thank you for your kind donations of hats and comfort pillows for our cancer patients. We very much appreciate the time and talent of your sewing group, Stitches of Love. Your ongoing efforts assist so many of our patients during a difficult time. Your hats have been distributed to our outpatient clinics at Waukesha and Mukwonago, and also to our impatient oncology unit.

Thank you,
Donna Stearns

Until next time, have a great summer! There is not a meeting for June scheduled at this time, but I am quite sure we will meet the second Tuesday of June. If you could make that meeting, feel free to give me a call and answer for sure.

Thank you...

- Hi-Lo’s for selecting and testing the recipes for our International Dinner.
- Hannah Earle for telling about her experiences as an AFS Exchange Student in India and for the spices she supplied for the recipes.
- DuAnn Webb for compiling the information about India and the beautiful table decorations.
- Brittany in the office for creating the attractive menus and booklet; she always makes us look good.
- Everyone who brought food and helped clean up afterwards.
- Members of the scholarship committee- Darlene Knuteson, chair, Phyllis Olson, Carol Witkowski, Brittany Wierzbach, and Jenny Wehmeier- for setting up the rules and application form for our scholarship.
- Duann Webb and Donna Kerhin for creating our entry in this year’s Cultural Arts Owl Challenge... “Str-owl-berry.”

It’s great to be part of a group that shows this kind of cooperation!
The 2014 HCE International night was a success with a full house at the Government Center!

Hi-Lo club members assisted in making a wonderful array of traditional Indian foods, including Samosas, Raita, Sweet Cinnamon Carrots, Chicken Capsicum Curry, Musdoor Dal, Puppodums, and Pineapple Chutney.
An Evening in India

Hannah Earle gave a presentation on her experiences while studying in India.

The Walworth County Wisconsin Bookworms™ readers were recognized for their work.

Allyson Jaeck was the recipient of the first Walworth County HCE Scholarship!

Stitches of Love presented Jenny Wehmeier with portable high chairs and fabric books they created for the members of the young parenting classes she has been teaching in Delavan.
**Grape Salad Recipe**

Several members have asked for the recipe for the grape salad that was served at the International Dinner. The recipe comes from a new member of the Sharon Lamplighters, Shirley Brehmer from East Troy. Shirley attended the International Dinner last year. She sat with the Lamplighters, we invited her to join, and she did. Shirley says the recipe is from her sister who lives in Washington State.

**Grape Salad**

1. Wash and stem and put in a bowl:
   - 1 pound of green grapes
   - 1 pound of red grapes

2. Cream together the following and mix with grapes:
   - 8 oz. cream cheese
   - 8 oz. sour cream
   - ¾ cup sugar
   - 1 tsp. almond extract

3. Mix together topping and put on top of grape mixture:
   - ¼ cup brown sugar
   - ½ cup coconut
   - ½ cup chopped pecans

4. Refrigerate until serving.

You don’t have to become a vegetarian to enjoy more fruits and vegetables in your diet! A trip through your local farmer’s market or grocery store might have you confused about what to do with items like kale, daikon, or ugli fruit. Join your Walworth County UW-Extension Family Living Educator Jenny Wehmeier as she provides a general overview of the importance of increasing your fruit and vegetable consumption while sharing samples of meatless and animal free products.

**PRAYER CREED**

Dear God,

Give us the grace to see the blessings that have come from thee; Give us the strength to do our duty To see in everything some beauty

Teach us that love and cheerful giving, Tolerance and decent living,

Make our home a place sublime, Where there's no room for hate or crime, A place where good friends gather round; Where laughter, mirth, and cheer abound, Not selfish thoughts, not worldly greed,

Let this, Dear Master, be our Creed.

**HCE CREED**

We, the Homemakers of Wisconsin, believe in the sanctity of the HOME, the cradle of character, blessed by motherly devotion and guarded by fatherly protection. We pledge ourselves: To work for the preservation and improvement of home and community life; To strive for healthier minds and bodies and better living; To promote the welfare of our boys and girls, the nation's greatest asset; To be true to God and country and of lasting service to our homes and communities.
