Our yearly **Business Meeting will be on Wednesday, February 8, 2017**

*"There is nothing on this earth more to be prized than true friendship."*  
 ~ Thomas Aquinas  
**Happy Valentine's Day, my friend!**

at Horticultural Hall in Lake Geneva... 6:30pm.  
 Please bring something yummy to share.  
**Great time of year to catch up with our fellow members since we are not drawn to outside activities!**

Our President Janet Yakes, has decided to stay on as president until her term expires in two years since her circumstances have changed.

We need to also appoint someone to take over Kim's position on the programs team. There are lots of records of past programs we have enjoyed and members are always coming up with suggestions, so all you need to do is contact and finalize details for our upcoming programs along with Sue Leedle...also on the programs team.

If you have a volunteer opportunity approved by Chrissy, we can put it on our MG Google calendar so anyone available can come to help you. Please send any information, as well as tools needed to bring & your contact info to be put on the calendar to: [mathews\\_se@yahoo.com](mailto: mathews_se@yahoo.com) Make sure you include dates, times and location...

Click on the words in the date box for more info. **TRY IT!**
